# Click Rosters

A screenshot of a web dashboard interface. On the left is a dark sidebar with three menu items: 'Dashboard' with a home icon, 'Horizon Tennis - Boy's' with a megaphone icon, and 'Profile' with a person icon. The main content area has a light gray background. At the top of the main area is the word 'Dashboard'. Below it is a header for 'Horizon Tennis - Boy's'. Underneath the header are two buttons. The first button is labeled 'Rosters' and features an icon of three people. A large red arrow points to this button. The second button is labeled 'Game Feedback' and features a speech bubble icon.

# Next Steps

---

- Enter Your Roster One by One
- Enter Coaches
- Enter Players and Select what number they are for singles and/or doubles
- For doubles, you'd have two No. 1's for example to make up that team
- This will be frozen on Thursday, April 20, 2017 and will be able to see your roster for state visible on [AZPREP365.com](http://AZPREP365.com) showing the players and their No.
- You can edit this throughout the year up until the freeze

# State Individual Selections

---

- For state, the link for “Make Your State Selections” will show between a certain date (4/5/17 and 4/13/17 @ noon) set within the roster page
- Click that link to select your singles and doubles team to enter into state
- If no roster entered, you will have to do that first
